

SECOND ANNOUNCEMENT

Computers in Scientific Discovery 6 (CSD6)

Portorož, Slovenia, August 21 - August 25, 2012

<http://csd6.imfm.si>, csd6@upr.si

CSD6, the sixth in an interdisciplinary workshop series, will bring together researchers in Mathematical, Physical and Life Sciences again, this year in Portorož, a beautiful town at the Adriatic coast of Slovenia.

KEYNOTE SPEAKERS:

Nobelist Harold Kroto (Florida State University, USA)
Oswin Aichholzer (University of Technology Graz, Austria)
Alexandru Balaban (Texas A&M University at Galveston, USA)
Gunnar Brinkmann (Universiteit Gent, Belgium)
Arnout Ceulemans (K.U.Leuven, Belgium)
Ernesto Estrada (University of Strathclyde, UK)
Patrick Fowler (University of Sheffield, UK)
Ante Graovac (University of Split, Croatia)
Adalbert Kerber (University of Bayreuth, Germany)
Bojan Mohar (Simon Fraser University, Canada & IMFM, Slovenia)
Milan Randić (National Institute of Chemistry, Slovenia)
Dragan Stevanović (University of Niš, Serbia & UP, Slovenia)
Ian Wanless (Monash University, Australia)
Jure Zupan (National Institute of Chemistry, Slovenia)

See the webpage <http://csd6.imfm.si> for details on the scientific programme, venue, accommodation, registration and travel options. Please email your inquiries to csd6@upr.si.

CONFERENCE FEE:

If paid before April 15, 2012: 50 Euros. If paid after April 15, 2012: 75 Euros.

The conference fee includes the conference materials, coffee breaks, conference dinner and excursion.

ORGANIZED BY:

UP IAM - University of Primorska, Andrej Marušič Institute,
in collaboration with IMFM, UL FMF, UP FAMNIT, and UP TURISTICA.

SPONSORS:

ARRS - Slovenian Research Agency; ESF EuroGIGA GReGAS - European Science Foundation, Graphs in Geometry and Algorithms, Geometric representations and symmetries of graphs, maps and other discrete structures and applications in science.

SCIENTIFIC COMMITTEE:

Patrick Fowler, Klavdija Kutnar, Tomaž Pisanski (chair).

ORGANIZING COMMITTEE:

Ademir Hujdurović, Klavdija Kutnar (chair), Alen Orbanić, Tomaž Pisanski.
