

Bled'11 - 7th Slovenian International Conference on Graph Theory

Contribution ID : 71

Many large eigenvalues

Content :

A rough characterization of graphs with many large eigenvalues will be presented.

Primary authors : MOHAR, Bojan (SFU & IMFM)

Co-authors :

Presenter : MOHAR, Bojan (SFU & IMFM)

Session classification : --not yet classified--

Track classification : Mathematical Chemistry

Type : Oral presentation
